

Course Evaluation Results: Property I

Dear Professor Blackman,

What follows are Fall 2014 course evaluation results for the above-referenced course. These results are based on the 53 evaluations returned, yielding a response rate of 86.89%.

At the top of page 1, the "Global Index" graph represents the combined average of all 11 evaluation questions. Underneath, the "Professor Evaluation" and "Course Evaluation" graphs represent the combined average of those question groups.

Next, the results for each individual question are displayed in a simple bar graph. To the right of each bar graph, more detailed data is displayed, as follows: number of responses to that question (n); the average response on a scale of 1 to 5 (av); the median score (md); and, the standard deviation (dev).

Finally, at the end of the report, you will find an unabridged scanned copy of all handwritten comments from your students, and a faculty "Profile" page which graphically displays your average score for each evaluation question.

Excellent professor.
Easy to follow!

great semester!

Good class, great examples appreciate accessibility of practice tests

Professor Blackman is the best professor I have had so far at South Texas College of Law. Raise his salary infinitely to keep him from going Ivy League!

Good prof. would take again!

Great class. Prof was good about keeping the class engaged and prepared. Very knowledgeable about subject matter.

gets frustrated when questioned.

I don't really understand why the professor expressed such ~~negativity~~ negativity toward a huge portion of the subject matter (estates) - maybe he thinks it's cool to complain? But... it's not.

Great class - learned a lot

Good job, never go in front of the 7th Cir.

Blah

I really enjoyed this class + ~~also~~ really enjoyed learning from professor Blackman. He is very smart + well composed, and an extremely great person to learn from in so many different ways, academic + thanks Professor!!

Super chill!

Enjoyed your class!

Great job!

Doesn't respect his students. Rude + unprofessional

Enjoyed the class; Professor Blackman is so young that students tend to challenge him more readily; I think I felt his responses were appropriate.

Professor Blackman did a great job of teaching this material and was exceptionally organized + prepared.

Quality Instruction: Accessible to students.

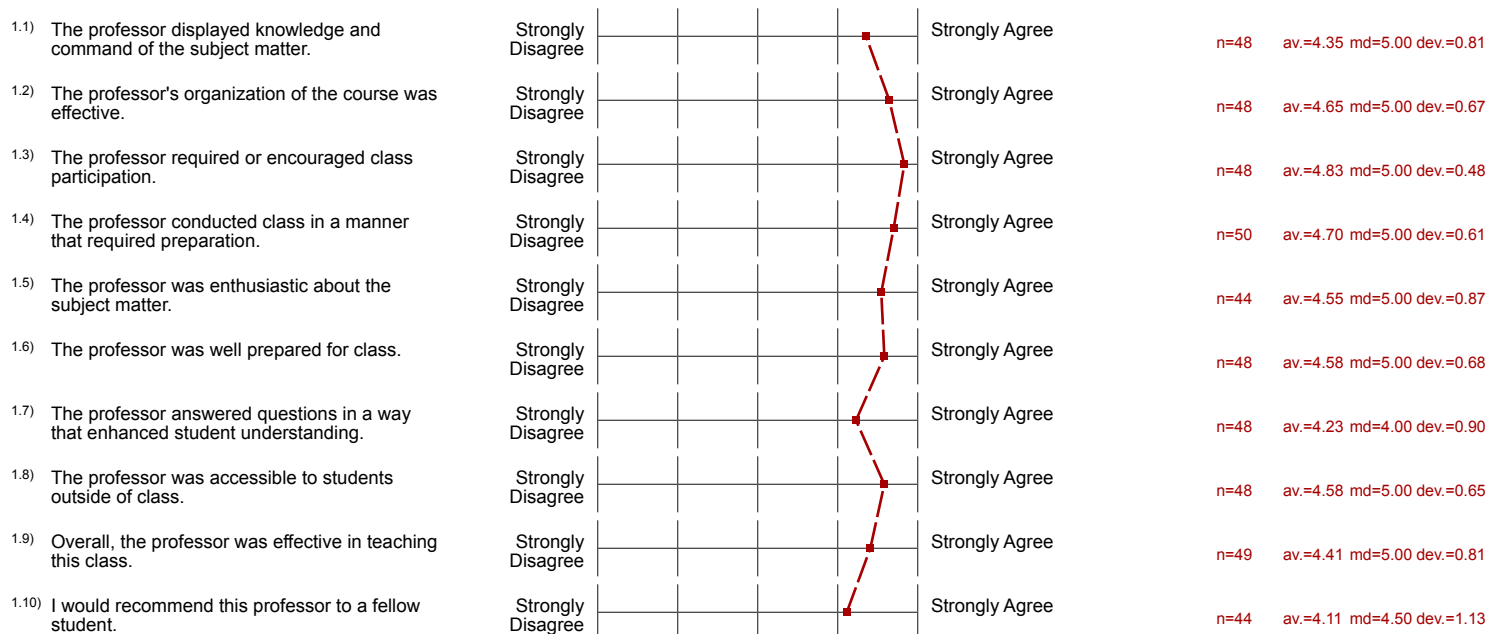

A couple classes the professor contradicted himself and made it difficult for me to understand. He was also rude to a student in the class on a regular basis which made
