

## Course Evaluation Results: Property I

Dear Professor Blackman,

What follows are Spring 2016 course evaluation results for the above-referenced course. These results are based on the 63 evaluations returned, yielding a response rate of 78.75%.

At the top of page 1, the "Global Index" graph represents the combined average of all 11 evaluation questions. Underneath, the "Professor Evaluation" and "Course Evaluation" graphs represent the combined average of those question groups.

Next, the results for each individual question are displayed in a simple bar graph. To the right of each bar graph, more detailed data is displayed, as follows: number of responses to that question (n); the average response on a scale of 1 to 5 (av); the median score (md); and, the standard deviation (dev).

Finally, at the end of the report, you will find an unabridged scanned copy of all handwritten comments from your students, and a faculty "Profile" page which graphically displays your average score for each evaluation question.

CANCELLED MORE CLASS FOR ANYONE. A few conference times. Rude to students - OFTEN, completely different test requirements THAT will lead to major grade variance.

I have really enjoyed Blackman's class. He is an excellent teacher + I feel like I've truly learned much in his class. ☺

I love the use of media

Great teacher. His style of teaching almost forces you to learn.

Videos of every class were very helpful for Property & as a much needed Con. Law Supp.

I like the format of asking students questions each day, which forces us to be prepared daily.

Not very accessible for office hours. Not helpful at office hours.

Gets too stressed during class.

Professor Blackman always made expectations for his class very clear. Class being recorded/streamed was great as I could re-review. Also liked his recitation style. Overall, great class.

I think recording the classes lecture's are awesome. Also did a great job breaking down the material and explaining it in a way that flows together well.

I wish office hours were just that: office hours. Rather than making appl's.

I felt like I had the best grasp on Property law ~~because~~ this semester because Professor Blackman keeps class fun and engaging. I even enjoy the tidbits of Con Law that we get in class.

Our best professor this semester. Conveys the material in a way that is easy to understand. Answers questions comprehensively. Very prompt responses to email questions. Hope I get to take Blackman again.

You were an excellent professor. I thought your teaching technique was super effective and I enjoyed your class.

However, I felt in office hours you were a little short w/ your answers.

Great command of subject, However personal political beliefs seep into teaching which distract from subject matter.  
Great use of technology!

I strongly agree

Very well-organized, stayed on schedule the whole semester.  
Excellent use of lecture recordings, which made it easy to access info from class. Very easy to follow in lectures.  
Overall, an excellent professor.

-Very smart prof.

Gives good examples in class to help learn the material

Very engaging. I heard con law was your favorite but you brought a lot of energy to property. Well done.

GREAT PROF. MADE A VERY DIFFICULT  
SUBJECT EASY TO UNDERSTAND.

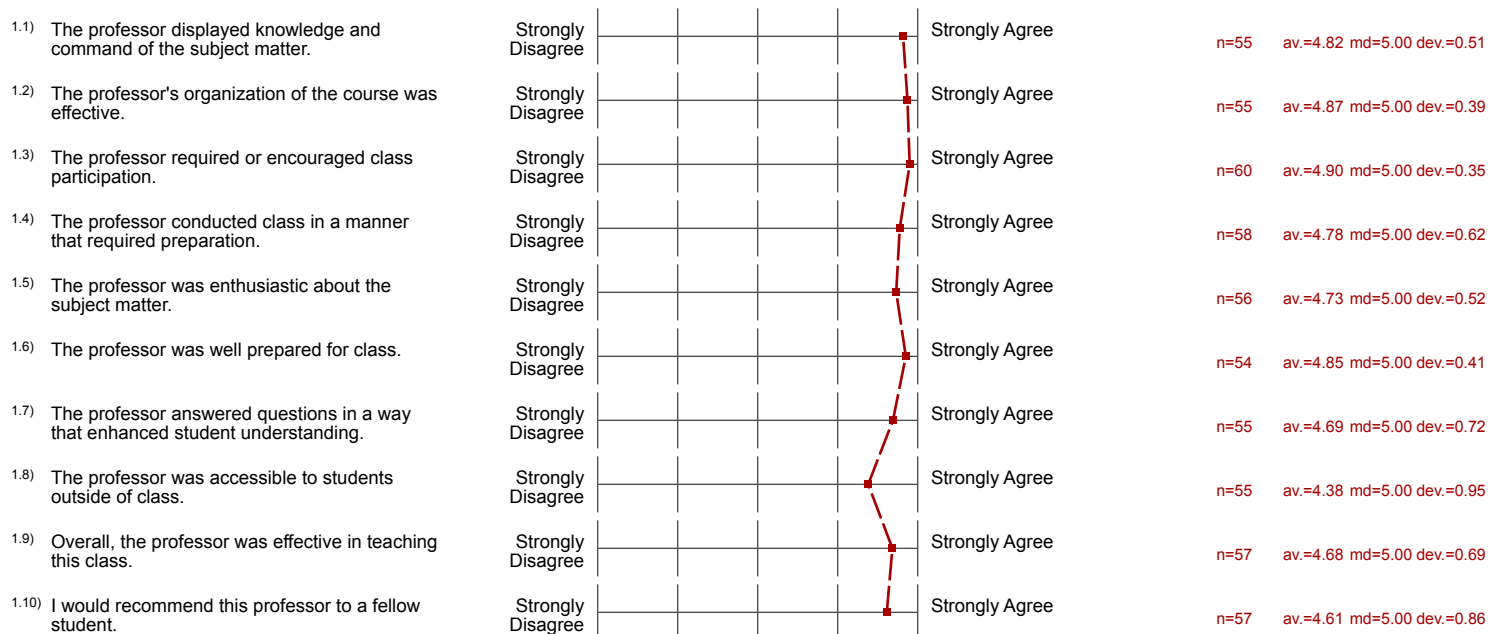

None, I believe the course was properly  
instructed and could not have been  
taught/organized any better.
