

## Course Evaluation Results: Constitutional Law

Dear Professor Blackman,

What follows are Spring 2017 course evaluation results for the above-referenced course. These results are based on the 62 evaluations returned, yielding a response rate of 78.48%.

At the top of page 1, the "Global Index" graph represents the combined average of all 11 evaluation questions. Underneath, the "Professor Evaluation" and "Course Evaluation" graphs represent the combined average of those question groups.

Next, the results for each individual question are displayed in a simple bar graph. To the right of each bar graph, more detailed data is displayed, as follows: number of responses to that question ( $n$ ); the average response on a scale of 1 to 5 ( $av$ ); the median score ( $md$ ); and, the standard deviation ( $dev$ ).

Finally, at the end of the report, you will find an unabridged scanned copy of all handwritten comments from your students, and a faculty "Profile" page which graphically displays your average score for each evaluation question.

Wonderful professor. Highly intelligent.

Great professor!

This professor is extremely efficient and effective at his position, and conducts class in a manner that requires analytical thought and discussion.

The reading was long, but manageable.

Today is a great day for the constitution

Great Professor!, Enough ss.d.l.

Fantastic professors teaching a very difficult course

---

Very enjoyable class. Thank you.

---

Please try to keep your conservative opinions to yourself. Or if you will share them, then create a platform for a two-way street discussion. And not try to shut up someone w/ a different opinion. Otherwise, great & passionate professor.

---

Best STCL Teacher Period.

---

It was difficult to keep up with the reading. I also felt like I had to prepare & answer (exam) the way he wanted to hear, which may not prepare me for the bar.

---

Blackman is a rockstar this guy is going places, definitely  
give him tenure

very enthusiastic. Great professor. Good jokes.

---

Would take again. Great class. Great professor  
Listened and paid attention to students  
and ~~to~~ our needs. Very passionate.

---

Always made class exciting & was fair. Super helpful w/ exam prep. Wants to see his students succeed.

Professor Blackman was an amazing professor, very knowledgeable. Would take a class by him again. Lucky to have him!

Showed knowledge & passion for subject

Professor Blackman's attitude + approach to class is his biggest downfall. Extremely arrogant + it detracts from his ability to ~~teach~~ teach effectively.

I liked all of the classes being available online, it made filling in holes in my notes much easier. On some days the reading load was too much to understand the cases in depth.

I am a screaming liberal. Do not agree with many of Prof. Blackman's opinions/viewpoints. His command of and passion for his subject is mind-boggling. I am thankful I drew him for Conlaw and do my best to attend all speaking engagements.
