

Course Evaluation Results: Property I

Dear Professor Blackman,

What follows are Spring 2018 course evaluation results for the above-referenced course. These results are based on the 76 evaluations returned, yielding a response rate of 91.57%.

At the top of page 1, the "Global Index" graph represents the combined average of all 11 evaluation questions. Underneath, the "Professor Evaluation" and "Course Evaluation" graphs represent the combined average of those question groups.

Next, the results for each individual question are displayed in a simple bar graph. To the right of each bar graph, more detailed data is displayed, as follows: number of responses to that question (n); the average response on a scale of 1 to 5 (av); the median score (md); and, the standard deviation (dev).

Finally, at the end of the report, you will find an unabridged scanned copy of all handwritten comments from your students, and a faculty "Profile" page which graphically displays your average score for each evaluation question.

3. General Comments

3.1) Please provide any additional comments about the course or professor in the space below.

Prof. Blackman is the best professor I had so far in STCL. His recitation style not only required preparation, but also broke my public presentation/speaking fear. He puts all of his lectures online, so it was very convenient and cool to listen to properly on the go, in the car, etc. Professor Corn, you have a competitor for an award

Maybe take attendance the traditional way.

Fantastic class

Minor issue w/ schedule

Too smart for his own good... lol...
that.. probably why you got protested.

Very engaging teaching method & genuine concern.
Did not have an issue w/ shortcoming & instead
launched on our class

I didn't think that I would enjoy this class as much
as I did. I think that you should encourage the
other profs to use the ruf app since some people
come late every class & are allowed to sign in.
Watch out for people moving around to avoid
being called on.

Professor Blackman is a rare teacher in that he cares for his students and his passion for education shows through his teaching style. I feel very fortunate to have been one of his students and I hope he continues to teach and ~~to~~ continue the way he teaches.

I really appreciate that we stay on ~~pace of~~ ~~our~~ schedule. I also really like ~~the~~ enjoy the seminar format of class participation.

THANK YOU!

BLACKMAN IS THE MAN

Enthusiastic and commanded the material thoroughly.

Great professor. Attendance method
(Keef) could be
done away with

#1 overall this is the best.

Very knowledgeable and great lat. teaching!

I have learned so much from Professor Blackman.

Phenomenal professor. Courses a lot, though.

Loved that he had previous ~~or~~ classes to watch
and that he took the time to meet and
get to know all of us. Overall would take
more classes from him.

He made learning property law interesting.
His recitation method can be stressful but it
is still effective

I felt Professor Blackman was efficient, knowledgeable,
and pretty witty, which helped. I also liked
his innovative approach of checking in to
class.

Students should be free to talk into our tuition.

Very effective in teaching the material and open to suggestions.

↳ creates interesting class discussions.

Should continue w/ making the teacher answer for the mid term.

Very effective teaching method.

He is one of my favourite professors. He teaches the class in a way that ensures every student ~~learns~~ knows the material.

Very good professor! Extremely intelligent!

you made the class very interesting.

High recitation keeps everyone on their feet!

professor was well prepared and taught material clearly

Made class interesting and effective.
Way to go!

Sweet Teacher.

Cool Dude, very knowledgeable

Blackman is really organized, enjoyed his class and way he sets it up

Overcomplicates things with mandatory meetings with him about the midterm.
Paying for iClicker Reef is unnecessary.

great command of the law; and willing to help
with understanding when needed. (enjoy Rand robin, random
recitation)
Course materials were accessible and helpful
and videos were helpful when reviewing concepts.

more practice problem online.

~~very open everyone~~

Very Practical Information....

Good class organization + participation.
One of the more fun classes thus far.

Quirky software check-in should be secondary to paper roll until perfected / dependable across platforms.

His style of teaching was very helpful to me,
I was able to get a good understanding of
the concepts.

Great Prof! Great Teaching!

I really enjoyed professor Blackman's unique teaching style, it forced me to pay attention and I feel like I have learned so much from his class

Great!

Assess Prof 1

The best recitation style of all the professors

Professor Blackman has been the professor that demands the most preparation from students, however, it's well warranted and gets students ready for his exams.

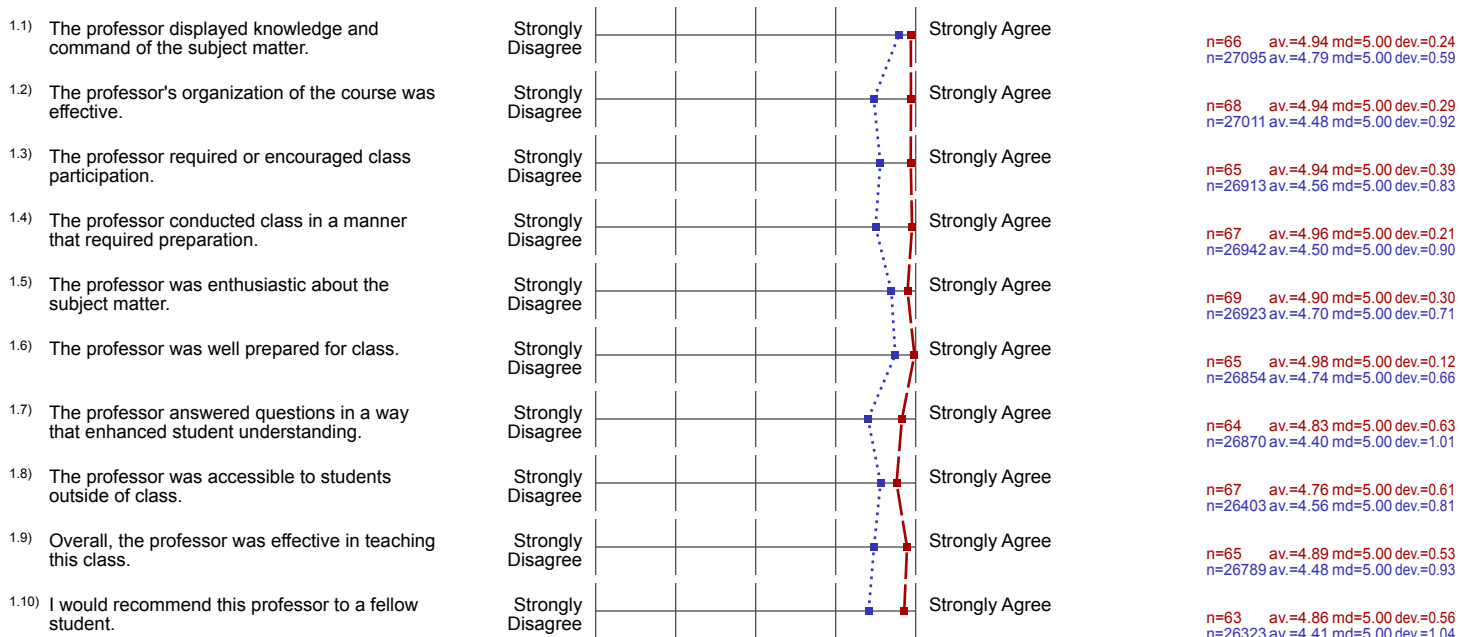

I LOVE THIS CLASS AND PROFESSOR BLACKMAN!
If you had told me I would feel this way at the end of the semester, I wouldn't have believed you. After the first class, I thought Blackman was one of the most pompous and arrogant people ever - but he isn't! He is simply one of the smartest and dedicated caring people I have met. His
