

Course Evaluation Results: Property II

Dear Professor Blackman,

What follows are Fall 2018 course evaluation results for the above-referenced course. These results are based on the 52 evaluations returned, yielding a response rate of 81.25%.

At the top of page 1, the "Global Index" graph represents the combined average of all 11 evaluation questions. Underneath, the "Professor Evaluation" and "Course Evaluation" graphs represent the combined average of those question groups.

Next, the results for each individual question are displayed in a simple bar graph. To the right of each bar graph, more detailed data is displayed, as follows: number of responses to that question (n); the average response on a scale of 1 to 5 (av); the median score (md); and, the standard deviation (dev).

Finally, at the end of the report, you will find an unabridged scanned copy of all handwritten comments from your students, and a faculty "Profile" page which graphically displays your average score for each evaluation question.

3. General Comments

3.1) Please provide any additional comments about the course or professor in the space below.

~~I really enjoyed him~~ as an academic, but I feel he can be rude in person. I don't think he realizes how it comes off.

I wish ^{the} mid term wasn't so close to finals so we had more time to chose meetings with you during a different time than studying

I think you are much better at teaching Property 2 verses Property 1 material.

Professor Blackman does not teach property II material in a practical manner. his ^{classroom} testing strategies in, no way, prepare us for sitting for the bar.

Great guy!

KEEP UP THE GOOD
WORK

I like prof. Blackman's enthusiasm & passion about the teaching. I could tell he put a lot of effort into preparation of the course. I really like that he've made us recite at least once a week. Also, his midterms (grading & access to the previous exams) is the greatest tool for exam prep. Thanks a lot!

Great professor. One of my favorites.

I enjoyed taking Blackman for Property once again. I like his approach in his teaching and I like the knowledge he brings on the topic.
